SENS
ENDLESS FABRICS

RECASENS offers a limited 5-year warranty for the **SENS®** collection.

This warranty covers the deterioration of the fabric or its color that may occur during its exposure to solar radiation and atmospheric agents, both under normal conditions and by correctly performing the maintenance operations as indicated in the corresponding section.

Within this period of 5 years, **RECASENS** will replace free of charge the yardage recognized as defective or will pay its cost.

The warranty covers only the value of the fabric and excludes all other costs, including the cost of fabrication and installation.

The warranty does not cover any deterioration due to abuse, neglect, vandalism, burns of any kind, fires and natural disasters.

In particular, it does not cover deterioration caused by:

- The lack of maintenance of the fabric or the use of inappropriate products or tools. In particular, under no circumstances should solvents, hard brushes or other scraping instruments that may damage the protective finish of the fabric be used.
- Atmospheric or phytosanitary contamination.
- Dirt produced by animals.
- Placing objects on top of the fabric, or falling objects on the fabric.
- Unusual weather conditions (storms, thunderstorms, etc.).
